

Terms of Service

The agreement that governs your use of AlterOS · Last updated July 8, 2026

1 Acceptance of terms

By accessing or using AlterOS ("the Service"), you agree to be bound by these Terms of Service. If you do not agree, do not use the Service.

2 Description of the service

AlterOS lets you create Discord server templates and apply them to your servers through an invited bot. The Service is provided on an "as available" basis to help you manage server structure more easily.

3 Your Discord account

You must comply with Discord's Terms of Service and Developer Policy. You are responsible for the servers you manage and for the actions the bot takes at your direction.

4 Acceptable use

You agree not to use AlterOS for unlawful, abusive, infringing, or fraudulent activity. We may suspend or remove access for accounts that violate this agreement or applicable law.

5 Templates and content

You retain ownership of the templates you create. You are responsible for their content. By using the Service, you grant AlterOS a limited license to store and process your templates solely to provide the Service.

6 Subscriptions and billing

Paid plans are **Pro** at 3.99€ per month and **Lifetime** at 29.99€ as a one-time payment. Payments are processed by Stripe.

- Pro subscriptions renew automatically until you cancel.
- Lifetime is a single purchase granting ongoing access to included features.
- Prices may change with prior notice; changes do not affect already-paid periods.
- Refunds are handled in accordance with applicable consumer law. Contact support to request one.

7 AI features

AI generation and redesign use third-party models and are provided as-is. You are responsible for reviewing any template before deploying it to your server.

8 Disclaimer of warranties

The Service is provided without warranties of any kind, express or implied, including fitness for a particular purpose. We do not guarantee uninterrupted or error-free operation.

9 Limitation of liability

To the maximum extent permitted by law, AlterOS is not liable for indirect, incidental, or consequential damages arising from your use of the Service, including any effect on your Discord server resulting from applied templates.

10 Termination

We may suspend or terminate access for violations of these terms. You may stop using the Service at any time. Provisions that should survive termination will do so.

11 Changes to these terms

We may update these Terms of Service. Continued use after changes take effect constitutes acceptance of the updated terms.

12 Governing law

These terms are governed by the laws of the jurisdiction in which AlterOS operates, without regard to conflict-of-law principles.
